

1.60 CEU's

This certificate is awarded to

Mary Huff

for having satisfactorily completed the requirements for the Relational Instructor Course, version 2.0

The above person is certified by The Mandt System as an instructor to teach the Relational student courses, as described in Mandt standards until the expiration date indicated below. This certified instructor is authorized to train only those individuals employed by the facility or agency indicated below. Under no circumstance is the above person certified to teach, train or certify others in any of The Mandt System instructor courses. When the above person's certification expires, that person is no longer authorized to teach any of The Mandt System courses and must discontinue teaching The Mandt System until re-certified.
